The tenth annual meeting of the

Foucault Circle

Morgan State University
Baltimore, MD, USA
April 9-11, 2010

Papers on any aspect of Foucault's work, and studies, critiques, and applications of Foucauldian thinking, are all welcome. We will aim for a diversity of topics and perspectives in the program selection.

Please send a 1-2 page ABSTRACT of the paper, by e-mail.
Abstracts should be submitted to the program committee chair:
Erinn Gilson (erinngilson@gmail.com)
on or before Monday, November 30, 2009.

Please indicate "Foucault Circle submission" in the subject heading, and include the abstract as a ".doc" attachment to your message.

Program decisions will be announced in mid-December.

The meetings typically begin with an informal welcoming reception on Friday evening. There will be morning and afternoon paper sessions on Saturday, followed by dinner and a business meeting. The conference will conclude with paper sessions on Sunday morning. Each speaker will have approximately 35 minutes for paper presentation and discussion combined—papers should be a maximum of 3000 words (15-20 minutes, preferably 15).

Logistical information about lodging, transportation, and other arrangements will be available after the program has been announced.
